through every aspect of the day. The minister will arrive at the castle shortly before the start of the afternoon's ceremony and explain the vows. Then you

will be escorted to the Great Hall of the castle by a piper to be joined by the uniformed witnesses. Following the simple, relaxed ceremony our in-

house photographers (link to S & T Bonnar web site) will guide you through several stunning locations at the castle before you partake of a light champagne buffet. You then have ample time to relax in the bar or tour the castle before being served a lavish 6 course banquet in the oak panelled dining room. At the conclusion of the day's events you can retire to your luxury honeymoon suite to unwind in your Jacuzzi with complimentary champagne. The following morning after enjoying breakfast in the privacy of your suite you will be presented with a framed print of the castle, signed and dated by the artist.
